## Fall Recreational Soccer Registration 2023

The WSA Soccer Program is a recreational program for kids ranging from Pre-K through 4th Grade. We start off the youngest age group by introducing them to soccer in a practice only program. The Kindergarten through 4th grade will participate in other various divisions of the soccer program. Our goal for all players is to learn all aspects of the game respectable to their age/division, advancing their skills, knowledge and understanding of the game as they move up. The number one thing is always to have FUN.

**The WSA is split up into the below divisions: (NOTE-divisions are the grade they are GOING into in the fall)**

- Lil Kickers (kids in Pre-K – 3, 4 and 5 years old), all games played in Waterloo at Ebeler Complex
- Kindergarten--all co-ed games, played in Waterloo at Ebeler Complex.
